Subject - Proposal of the Shimoga Town Municipal Council for continuing certain temporary establishments on a permanent tenure

With reference to your letter No. L 7052/1 9-45-06 dated 31st January 1944, on the above subject, I have the honour to state that the President, Shimoga Municipal Council has advised to restrict the establishments wherever possible in accordance with the instructions contained in your letter under reference

2 The Municipal President states that this subject was considered by the Municipal Council at its meeting held on 6-6-1944, when a resolution was passed to the effect that the temporary establishments whose details were furnished in this office letter of even number dated 16-11-1944 must be continued on permanent basis and that the question of retention of additional establishment as detailed in the margin might be dropped for the present

1 One Office Assistant @ Rs. 12/- p.m.	while resolution copy enclosed for
2 Two Bill Collectors on a pay of Rs. 20-1-30 p.m.	kind reference
3 One Attender for the collection of water service fees @ Rs. 14/-	

3 The Municipal President states that the several temporary establishments mentioned therein continued for another year on a temporary basis are very necessary for the efficient discharge of the work of the Municipality and that some of the officials have rendered service in the temporary establishment for over 10 years

4 In regard to the posts of Chief Officer and Accountant-Assessor the revised scale of pay dated 1-10-1-46, as proposed by the Government of India

12

5 In order to restrict the expenditure and observe economy the Municipal Council may decide to reduce the number of entertainment certain Institutional establishments, e.g. Office Bearers, two Advisers and one Auditor, while scrutinising their original proposal. It is may be approved

6 The revised proposition as to the terms settled by the Municipal President, in the light of the instructions contained in your letter dated 20th May 1944, is forwarded herewith for reference. It is seen therefrom that net saving of Rs 10/- in the expenditure of the establishment will result if the proposals are approved

7 Excess provision has been made in the current year's B.E. subject of the availability to meet the establishment charges of the several establishments to the proposal to be continued on a permanent basis

8 In the circumstances, I recommend that sanction of Government may kindly be obtained to continue the several temporary posts originally created in my letter of even number dated 10-11-1944 on permanent basis with effect from the year 1945-46 (Item 1 to 4)

9 The connected correspondence received from the Municipal President pertaining to his letter No 02-16/ 5- 4 dated 14th August 1944 are forwarded herewith for ready reference
